

CONTRIBUTOR'S PUBLISHING AGREEMENT

To be completed by the owner of copyright in the Contribution

I, _____ hereby grant permission to include the contributed chapter within the book project "The Multi-Agent Transport Simulation MATSim", edited by A. Horni, K. Nagel and K.W. Axhausen.

As part of this agreement, I:

- vow that the work is my own and that the Book does not infringe upon the personal rights of, or gives rise to any claim by any third party, including, without limitation, claims in defamation, privacy, copyright, or trademark. I have gained permission to reproduce all third party content from the copyright holder, under the appropriate licence.
- give the Editors the authority to grant to the Publisher the rights granted in this agreement.
- will revise the Book content based on the peer reviewer/editor comments and the Publisher request for revisions.
- grant the Publisher the non-exclusive right to print and electronic versions of the Book under the Creative Commons Attribution 4.0 International (CC BY 4.0) licence (<https://creativecommons.org/licenses/by/4.0/>). I understand that this allows readers to share and adapt the publication without prior permission, but that full attribution will be given to the original author.
- agree that the publication will be available as an online resource, available as free to access and read, and as a print format to be purchased via a print on demand service
- will receive in total 0% of all profits from print sales (royalties).
- can request further copies of the completed Book for promotional reasons at the print cost price of the Book (+shipping) with an administration fee of £20. These can be requested from the Publisher.

By signing this Contributor Agreement I agree to the above provisions
